

National Centre  
for the Replacement  
Refinement & Reduction  
of Animals in Research

## Assessment Criteria

Applications will be assessed by the NC3Rs Office. Final decisions will be made by the NC3Rs Chief Executive.

The following criteria will be taken into consideration when making funding decisions:

- Progress made on current NC3Rs-funded grant/ award including dissemination and outreach activities
- Clear objectives and means to engage the target audience
- Career benefit to the applicant
- Proposed 3Rs impacts of the event and/ or activity
- Impact of mitigating circumstances on the applicant's ability to disseminate their research to date
- Value for money and justification for use of funds
