 - 15.2.1 death or personal injury caused by its negligence; or
 - 15.2.2 any fraud or wrongdoing by that Party or any of its personnel.
- 15.3 Each Party shall indemnify the other Party for any injury, death, loss or damage occasioned by the negligence of the other Party, its servants or agents.
- 15.4 The Award Holder will indemnify the NC3Rs against the Recoverable Liabilities, in each case arising out of or in connection with any claim or proceedings made, brought or threatened against the NC3Rs by any person for actual or alleged infringement of a Third Party's Intellectual Property rights and which arises out of or in connection with the use of the Award Holder's Background Intellectual Property and/or the Foreground Intellectual Property.
- 15.5 The Award Holder shall effect and maintain with a reputable insurance company, and make available to the NC3Rs on request, a policy or policies of insurance providing an adequate level of cover in respect of all risks, including employers liability insurance which may be incurred by the Award Holder, arising out of the Award Holder's performance of the Agreement.
- 15.6 The terms of any insurance or the amount of cover shall not relieve the Award Holder of any liabilities under the Agreement. It shall be the responsibility of the Award Holder to determine the amount of insurance cover that will be adequate to enable the Award Holder to satisfy any liability referred to in Clause 15.4 above.

16. ASSIGNABILITY

- 16.1 The Award Holder shall not Sub-Contract, transfer or assign the whole or any part of this Agreement without the prior written consent of the NC3Rs, whose consent shall not be unreasonably withheld, and may be subject to such terms and conditions as the NC3Rs may see fit to impose.
- 16.2 The Award Holder shall be responsible for any acts and omissions in relation to this Agreement or the Project objectives of its Sub-Award Holders as though they were its own.

17. SEVERABILITY

- 17.1 If any provision of this Agreement is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed and the remainder of the provisions hereof shall continue in full force and effect as if this Agreement had been executed with the invalid provisions eliminated.
- 17.2 In the event of a holding of invalidity so fundamental as to prevent the accomplishment of the purpose of this

Agreement, the Parties shall immediately commence good faith negotiations to remedy such invalidity.

18. WAIVER

- 18.1 A delay in exercising or failure to exercise a right or remedy under or in connection with this Agreement will not constitute a waiver of, or prevent or restrict future exercise of, that or any other right or remedy, nor will the single or partial exercise of a right or remedy prevent or restrict the further exercise of that or any other right or remedy. A waiver of any right, remedy, breach or default will only be valid if it is in writing and only in the circumstances and for the purpose for which it was given and will not constitute a waiver of any other right, remedy, breach or default.

19. DISPUTE RESOLUTION

- 19.1 Any dispute between the Parties arising out of or in connection with this Agreement (other than in relation to the payment of any money):
- 19.1.1 shall in the first instance be referred to the Award Holder's Representative and the NC3Rs Representative for resolution. The Parties agree to work together in good faith to reach an agreed settlement of any such dispute.
 - 19.1.2 If within fourteen (14) days of the meeting of the Award Holder's Representative and the NC3Rs Representative the dispute has not been resolved, the Parties agree to submit the dispute to a director of the Award Holder and the appropriate officer of the NC3Rs or such other person as the NC3Rs sees fit and who shall have responsibility to settle such dispute on behalf of the NC3Rs. The Parties shall meet within seven (7) days of the reference to them of any dispute and shall work together in good faith to resolve the dispute.
 - 19.1.3 If within fourteen (14) days the dispute has not been resolved, the dispute may be referred, by either Party, to mediation, the mediator to be agreed between the Parties. The fee for the appointed mediator shall be shared equally between the Parties.
- 19.2 Nothing in Clause 19.1 shall preclude either Party from commencing an action in a court of law in England for a legal remedy where time is of the essence and the remedy sought is only available in a court of law. In all other circumstances the Parties shall attempt to resolve a dispute in accordance with Clause 19.1 before embarking on litigation.
- 19.3 If the matter cannot be resolved through mediation, the Parties will, at the request of either of them, attempt in good faith to resolve the dispute through an agreed alternative dispute resolution ("ADR") procedure.
- 19.4 If the matter has not been resolved by an agreed ADR procedure within one (1) month of the initiation of such procedure, the dispute shall be referred to a single arbitrator to be agreed upon by the Parties or in default of agreement within fourteen (14) days to be nominated by the president for the time being of the Chartered Institute of Arbitrators in accordance with the Arbitration Act 1996. The arbitration shall take place in London and shall be in accordance with the Arbitration Act 1996 and such arbitration rules as the Parties may agree or, in default of agreement, in accordance with the rules of the London Court of International Arbitration, which rules are deemed to be incorporated by reference into this Clause.
- 19.5 The decision of the arbitrator shall be final and binding on the Parties.

20. FREEDOM OF INFORMATION ACT 2000 (FOIA)

- 20.1 Each Party acknowledges and agrees that:
- 20.1.1 the NC3Rs and the Award Holder are respectively subject to the requirements of the FOIA Laws and may receive a Request for Information;
 - 20.1.2 each Party that receives a Request for Information (the "**Request Recipient**") shall be responsible for determining at its absolute discretion whether any requested information (including Confidential Information of the other Party) is subject to any exemption and/or exception from disclosure and/or publication in accordance with the relevant provisions of the FOIA Laws or is to be disclosed in response to a Request for Information, and nothing in this Agreement shall remove or in any way limit that discretion of the Request Recipient;

- 20.1.3 it shall reasonably assist and cooperate with the Request Recipient to enable the Request Recipient to comply with its obligation under the FOIA Laws in relation to the Request for Information, including compliance with any time limits imposed under the FOIA Laws; and
 - 20.1.4 in some circumstances it may not be possible or reasonable for the Request Recipient to provide notice of any Request for Information or consider the comments of the other Parties in relation to it, prior to responding to such a request.
- 20.2 Subject to Clause 20.1, where the Request Recipient receives a Request for Information:
- 20.2.1 the Request Recipient will notify the Party whose Confidential Information is the subject of the Request for Information (the “**Affected Party**”) as soon as reasonably possible (and in any event within five (5) working days of receipt), confirming what Confidential Information is being requested; and
 - 20.2.2 the Request Recipient agrees to discuss in good faith with the Affected Party as to whether a relevant exemption/exception to the requirement to disclose the relevant Confidential Information under the FOIA Laws might be applicable, provided that the Affected Party makes itself available for such discussions within a reasonable time (and in any event five (5) working days of being notified of the Request for Information) so that the Request Recipient has a reasonable opportunity to consider the Affected Party’s comments prior to the deadline for the Request Recipient to respond to the Request for Information.
- 20.3 Where a Party receives a Request for Information in relation to information or records held by the other Party on behalf of the Request Recipient, the other Party will within five (5) working days of the request (or such shorter time frame requested, where it is necessary to ensure the Request Recipient’s compliance with FOIA Laws), provide the Request Recipient with a copy of such information in the form reasonably requested.
- 20.4 Each Party shall ensure that all information produced in the course of the Agreement or relating to the Agreement is retained for disclosure and shall permit the NC3Rs or Award Holder as the case may be to inspect such records as requested from time to time.

21. CONTRACTS (RIGHTS OF THIRD PARTIES) ACT 1999

- 21.1 A person who is not a Party to this Agreement shall have no right to enforce any terms of it which confer a benefit on him under the Contracts (Rights of Third Parties) Act 1999.

22. ENTIRE AGREEMENT

- 22.1 This Agreement constitutes the entire Agreement between the Parties relating to its subject matter:
 - 22.1.1 each Party acknowledges that it has not entered into this Agreement on the basis of any warranty, representation, statement, agreement or undertaking except those expressly set out in this Agreement;
 - 22.1.2 each Party waives any claim for breach of this Agreement, or any right to rescind this Agreement, in respect of any representation which is not an express provision of this Agreement. However, this does not exclude any liability which either Party may have to the other (or any right which either Party may have to rescind this Agreement) in respect of any fraudulent misrepresentation or fraudulent concealment prior to the execution of this Agreement.

23. LAW AND JURISDICTION

- 23.1 This Agreement shall be considered as a contract made in England and be construed in accordance with English Law. The English courts will have exclusive jurisdiction to deal with any dispute which has arisen or may arise out of or in connection with this Agreement, except that either Party may bring proceedings for an injunction in any jurisdiction.
